

9th International Workshop on
Neutrino-Nucleus Interactions
in the Few-GeV Region

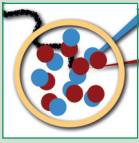

NuInt14

19–24 May 2014

Selsdon Park Hotel, Surrey, UK

Organised by the IOP High Energy Particle Physics Group

9th International Workshop on Neutrino-Nucleus Interactions in the Few-GeV Region **NuInt14**

NuInt14 is the ninth in a series of workshops concentrating on low-energy, neutrino-nucleus interactions.

The goal of the whole series is to bring theorists and experimentalists from the nuclear and high-energy community together to address the many challenges to understanding these complex interactions.

About the exhibition

The exhibition is an important part of the conference programme. It is an opportunity for businesses to engage with existing and new customers, maintain or raise their profile, promote products, network and generate new business leads.

The exhibition will be held from Tuesday 20 to Thursday 22 May 2014 in the Terrace Suite. To ensure that you maximise time spent with the delegates, the exhibition area will be used for poster displays, refreshments and lunch.

This conference is expected to attract more than 120 participants from the UK and worldwide.

As an exhibitor you will have the opportunity to:

- demonstrate the range and quality of your products and services to a specialised audience;
- maximise your exposure and raise your company profile;
- establish your company within the scientific community;
- target new customers and build existing relationships;
- demonstrate products in action.

Who should exhibit?

- Companies who make:
 - nuclear instrumentation and detection;
 - photon sensors;
 - analog and digital electronics;
 - precise light sources (lasers and LEDs);
 - accelerator components;
 - fast or high-throughput computing;
- scientific publications.

Exhibition package

£1250 + VAT

Exhibition space will be available as a table-top display.

Included in your package:

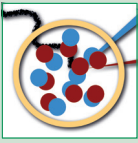

- a table-top stand (a table measuring 6 ft and two chairs), including lunch and refreshments for one representative;
- two nights' accommodation for one representative at Selsdon Park Hotel (checking in Tuesday 20 May and checking out Thursday 22 May);
- your company profile and link to your company home page included on the conference website;
- a single 500-watt socket;
- WiFi internet access.

Early-bird discount

Book by 31 March 2014 and you will be able to purchase the exhibition package at the early-bird rate of £1000 + VAT. Please complete the enclosed exhibition and sponsorship reservation form and return to Amy Fitzgerald at **amy.fitzgerald@iop.org** by 31 March 2014 to take advantage of this special offer.

VAT is charged at the prevailing rate, currently 20%. If the rate is altered as a result of government legislation, charges may be adjusted accordingly. The Institute's VAT registration number is 461-6000-84.

Sponsorship

Increase your visibility with these sponsorship opportunities:

- Delegate bags £1000 + VAT
- Pens £500 + VAT
- Delegate bag insert £250 + VAT

Why sponsor?

- An opportunity to promote your organisation and raise your profile within the wider community.
- Promote your company name to national and international participants prior to, during and after the conference – these include decision-makers, scientists, students and community members.
- Demonstrate your commitment to assisting the development of young researchers.
- Your representatives can mix informally with professionals from industry and academia in the UK and all around the world.
- Your company's support of the conference will be acknowledged widely through web-based and printed material.
- Sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

How to confirm your sponsorship

- Complete the enclosed exhibition and sponsorship reservation form.
- Enclose the form with a non-refundable deposit of 25%. An invoice can be sent to you if requested. Our payment terms are strictly 30 days.
- Send your completed form to Amy Fitzgerald, Institute of Physics, 76 Portland Place, London W1B 1NT, UK or e-mail to amy.fitzgerald@iop.org.
